September 22, 2003

Dear Lap Swim Participant,

On behalf of the City of Burbank, we would like to thank you for your interest and participation in our Lap Swim program. We hope it has been a rewarding and beneficial experience for you.

As you may be aware, the City of Burbank dealt with a number of significant issues during the Fiscal Year 2003-04 budget sessions. After several public hearings with community input and after much deliberation, the Burbank City Council adopted a budget which included reductions in all city department budgets. Unfortunately, it also included many reductions in the Park, Recreation and Community Services Department. As a result of the reductions, we will be discontinuing both our Lap Swim and Excel Swim Team programs for this winter season. At the conclusion of the scheduled Lap Swim workout on Sunday, September 28, McCambridge Pool will be closed for the winter season. We apologize if this is the first information you have received about this closure.

We anticipate opening one of our aquatics facilities again for limited programming in Spring 2004 on approximately Saturday, May 1. Our full aquatics program for the Summer 2004 season at the two aquatics facilities is currently scheduled to begin Saturday, June 19. We will keep you informed as we begin our 2004 planning process and will provide you with information as our anticipated reopening dates near.

Knowing your commitment to aquatics and fitness, we have identified year-round programs within the Los Angeles area to assist you in locating an alternate facility during the off season. Included in this mailing for your reference are some of the options.

If you have any questions, please do not hesitate to leave a message at (818) 238-5381, and we will return your call. Thank you, again, for your interest in our aquatics program.

Sincerely,  
PARK, RECREATION AND COMMUNITY SERVICES DEPARTMENT
